Product Text: Arnica has been used for centuries as nature answer for sprains, bruises and wounds, Bonus Rosemary and Pine essential oils invigorate and revitalize the body, Soothes aching joints and stiffness

(Sequential Attribute Inference)

Attribute: "Since"

Product Type Judgement: bath oil

Judge With External Knowledge: The attribute 'since' refers to the time period during which the product has been in use or available. This attribute is relevant for products which often have a date of manufacture or a time period of availability. Bath oils, however, do not typically have a date of manufacture or a time period of availability.
